Discussion Under Rule 98

U.S. Patent 5,786,389 issued Jul. 28, 1998 discloses castor oil esters that are not phosphated. It demonstrates the state of the art, in that the compounds described are oil phases and without the phosphate group of the present invention are not water dispersible and consequently are not dispersants.

Respectfully submitted;

A handwritten signature in black ink, appearing to read "A. O'Lenick, Jr.", written in a cursive style.
